Order form for chapters 12 to 13

To Order: Circle individual page numbers or check the “ALL” box to order pages. We would suggest you order by trimester. (Note: if you order by trimesters, you won’t have to worry about storing so much. You may also ask for your pages copied in 11” x 17” workbook format - 40 page limit by checking the box for each chapter. Fill out the order form to the right, then scan this form to the Printshop, or send it through the courier.

If quantities vary, write in how many of each you want, next to the page numbers.
